italy and the east roman world in the medieval mediterranean addresses the understudied

topic of the italian peninsula's relationship to the continuation of the roman empire in the east across the early and central middle ages the east roman world commonly known by the ahistorical term byzantium is generally imagined as an eastern mediterranean empire with italy part of the medieval west across 18 individually authored chapters an introduction and conclusion this volume makes a different case for an east roman world of which italy forms a crucial part and an italian peninsula which is inextricably connected to and indeed includes regions ruled from constantinople celebrating a scholar whose work has led this field over several decades thomas s brown the chapters focus on the general themes of empire cities and elites and explore these from the angles of sources and historiography archaeology social political and economic history and more besides with contributions from established and early career scholars elucidating particular issues of scholarship as well as general historical developments the volume provides both immediate contributions and opens space for a new generation of readers and scholars to a growing field

il xvi quaderno di archeologia della soprintendenza per i beni archeologici dell emilia romagna riguarda la pubblicazione in tempi davvero molto rapidi di una piccola ma importante necropoli romana quella rinvenuta in territorio ferrarese a gambulaga appartenente alla ricca famiglia dei fadieni vissuti nell area deltizia nella prima età imperiale al di là del merito scientifico e dell importanza della pubblicazione sistematica ed accurata sia del contesto di scavo sia delle stele funerarie con il loro patrimonio figurativo e il notevolissimo testo epigrafico sia infine dei corredi funerari di riferimento preme rilevare la novità delle scoperte archeologiche di gambulaga È infatti una delle rare occasioni in cui possiamo apprezzare le manifestazioni funerarie di una delle famiglie che presumibilmente abitavano le grandi ville del territorio padano quali conosciamo ad esempio dagli scavi di russi o i ricchi borghi rurali che si collocavano lungo le strade consolari della cisalpina si tratta dei rappresentanti di una classe dirigente medio alta che costituì l ossatura del sistema economico di questa regione ne fece tra la tarda età repubblicana e il ii secolo d c una delle più ricche dell impero tra di loro erano certo scelti gli alti gradi della burocrazia e dell esercito romano dei fadieni possiamo ora apprezzare grazie allo scavo e allo studio di fede berti e dei suoi collaboratori uno squarcio non solo dei riti e delle cerimonie funerarie ma anche delle vicende economiche e dello stile di vita luigi malnati soprintendente per i beni archeologici dell emilia romagna

core tourist sites for the classical world are the ruins of those many and scattered examples of lost and abandoned towns from pompeii to timgad to ephesus and petra usually studied for their peaks and growth rarely are their ends explored in detail to consider the processes of loss and also to trace their afterlives when they were often robbed for materials even if still hosting remnant populations this volume breaks new ground by examining the phenomenon of urban loss and abandonment from roman to medieval times across the former roman empire through a series of case studies two main aspects are examined firstly the sequences and chronologies of loss of sites roles structures people identity and secondly the methodologies of study of these sites from early discoveries and exploitation of such sites to

current archaeological and scientific approaches notably excavation urban survey georadar and geophysics to studying these crucial centres and their fates how can we determine the causes of urban failure whether economic military environmental political or even religious how drawn out was the process of urban decay and abandonment what were the natures of the afterlives of these sites which archaeology is beginning to trace how far does scrutiny of these extinct sites help in discussion of archaeological trajectories of sites that persisted the fourteen core chapters in this collection consider specific examples and case studies of such lost classical cities from across the many roman provinces in order to address these questions bringing together an array of archaeological and historical voices to share views on and findings from excavations and surveys of failed towns this volume offers much to scholars of roman late antique and early medieval and medieval archaeology and history
