cinema has been long associated with france dating back to 1895 when louis and auguste lumi re screened their works the first public viewing of films anywhere early silent pioneers georges mzli s alice guy blachz and others followed in the footsteps of the lumi re brothers and the tradition of important filmmaking continued throughout the 20th century and beyond in encyclopedia of french film directors philippe rige identifies every french director who has made at least one feature film since 1895 from undisputed masters to obscure one timers nearly 3 000 directors are cited here including at least 200 filmmakers not mentioned in similar books published in france each director s entry contains a brief biographical summary including dates and places of birth and death information on the individual s education and professional training and other pertinent details such as real names when the filmmaker uses a pseudonym the entries also provide complete filmographies including credits for feature films shorts documentaries and television work some of the most important names in the history of film can be found in this encyclopedia from masters of the golden age jean renoir and renz clair to french new wave artists such as fran ois truffaut and jean luc godard

a curious thing happened to tim wallace murphy and marilyn hopkins when they published rex deus their first book on the bloodline of christ they were contacted by a man from the very lineage they were studying and instead of denying the existence of the bloodline or berating them for revealing secrets he actually confirmed that the rex deus lineage exists and even disclosed some of its fundamental secrets the story of the rex deus families direct descendents of christ who is believed to have survived the crucifixion turns out to be much more extensive than the authors first thought instead of beginning during the time of jesus it stretches far back into antiquity to the egyptian mystery schools instead of being only a propagation of the holy bloodline the rex deus families are also carriers of the secret teachings of jesus custodians of truth reveals the purpose and secrets of the rex deus lineage jesus was not only a holy man but an adept of ancient knowledge which informed his own teachings this secret knowledge was suppressed by the church in their voracious quest for power and influence in the secular world these teachings have manifested throughout history in different forms gnostic philosophy around the time of jesus the order of the knights templar freemasons and the current resurgence of interest in new age thought finally the time is right for the hidden message of jesus to be revealed a message of tolerance brotherhood and respect for nature the next chapter in the legend of the holy grail and the bloodline of christ from the best selling authors of rosslyn
