this book examines the iran contra affair the trials of poindexter and north and the testimony of ronald reagan as a test case of political morality it draws out the implications of the statements of north and his secretary fawn hall who were so convinced of the moral rightness of their actions that they were prepared to break the law lie and destroy vital evidence it tries to ascertain what was going on in the minds of these people and especially in that of the president who claimed not to be cognizant of the actions of his subordinates

this book examines the iran contra affair the trials of poindexter and north and the testimony of ronald reagan as a test case of political morality it draws out the implications of the statements of north and his secretary fawn hall who were so convinced of the moral rightness of their actions that they were prepared to break the law lie and destroy vital evidence it tries to ascertain what was going on in the minds of these people and especially in that of the president who claimed not to be cognizant of the actions of his subordinates

the author worked for alexander haig and was on the white house staff as a high level messenger and consultant during the early 1980s based on his astute observation and interviews with some key participants he explores the environment that made the iran contra connection possible isbn 0 684 18994 1 19 95

gathers government documents dealing with the iran contral scandal

the iran contra scandal rocked the reagan presidency to its core in late 1986 and 1987 this text examines the efforts of the reagan administration to recover its public credibility in the 12 months following the exposure of controversial covert operations via comparative analysis it explores the impact of scandal upon the presidential office the problems which confronted president reagan during iran contra and the centrality of damage control efforts to the well being of the modern presidency

discusses the iran contra scandal of 1986 wherein the reagan administration sold guns to iran in exchange for hostages and assisted the rebels trying to overthrow the government of nicaragua

a bancroft prize winning historian chronicles the modern history of impeachment and the shift in american politics and constitutional culture revealed by its evolving interpretation and use

a classic on the separation of powers this book dissects the crucial constitutional disputes between the executive and legislative branches from the constitutional convention to the present day new material includes military tribunals and nsa eavesdropping disputes over executive orders state secrets privilege and post 9 11 wars in afghanistan and iraq

mark rozell s executive privilege has provided for the past decade an in depth review of the historical exercise of executive privilege and an analysis of the proper scope and limits of presidential power now rozell has updated this important work to cover two new presidents bill clinton and george w bush and show how both have revived the national debate over executive privilege book jacket

in this provocative and readable volume eleven leading constitutional authorities challenge business as usual in american foreign policymaking for far too long they contend americans have acquiesced to presidential claims to sweeping executive powers in foreign affairs thanks to imperial minded presidents a weak willed congress and neglectful scholars these authors forcefully argue that the president is not the supreme crafter of foreign policy and that congress must provide more than a rubber stamp for the president s agenda unilateral presidential control of foreign relations they warn can pose a grave threat to our nation s welfare and is simply without constitutional warrant combining constitutional theory with keen historical insights these authors illuminate the roots of presidential abuse of executive power and remind us of the past and potential costs of such disregard for our unique system of checks and balances an essential guide for all concerned citizens and members of congress this volume should help revive a proper understanding of this crucial dimension of american democracy

renowned scholar stephen skowronek's insights have fundamentally altered our understanding of the american presidency his seminal works have identified broad historical patterns in american politics and explained the dynamics at work behind them his political time thesis has been particularly influential revealing how presidents reckon with the work of their predecessors situate their power within recent political events and assert their authority to change things in this new book skowronek revisits his political time thesis and focuses on how it helps us make sense of the presidencies of bill clinton and george w bush the essays some of which predate his book the politics presidents make some of which followed it and one of which is wholly original to this volume make his arguments about the politics of leadership generally accessible while also drawing them forward and highlighting new issues for our times skowronek explains the typical political problems that presidents confront in political time as well as the likely effects of their working through them this allows him to draw out parallels in the politics of leadership between andrew jackson and franklin roosevelt and between james polk and john kennedy and to develop a new and revealing perspective on the leadership of george w bush all along the way skowronek considers contemporary innovations in the american political system that bear on the leadership patterns he draws from the more distant past the impact of the 24 hour news cycle of a more disciplined and homogeneous republican party of conservative advocacy of the unitary theory of the executive and of progressive disillusionment with the presidency all come under fresh scrutiny a provocative review of presidential history skowronek's book brims with fresh insights and opens a window on the institution of the executive office and the workings of the american political system as a whole intellectually satisfying for scholars it also provides an accessible volume for students and general readers interested in the american presidency publisher

a scathing critique of president bush's legal advisors who expanded the reach of his executive powers while creating highly controversial policies for fighting the war on terror argues that these advisors blinded by ideology provided largely bad legal advice that caused great harm and ultimately was unnecessary for national security

each year foreign affairs magazine publishes an annual chronology of major events in foreign relations during the previous year this volume compiles chronologies from 1978 to 1989 it presents authoritative day by day accounts of noteworthy events overseas as well as

significant developments in the u s foreign policy process each chronology systematically details the year s developments by country region and specific topics as east west relations arms control u s and the world economy and terrorism isbn 0 87609 0773 3 30 00 for use only in the library

a lively account of the outspoken first lady during her white house years showing how the silver fox used her rich experience in politics to master the public relations side of first ladyship with as much skill as any white house spouse

inside the pentagon papers addresses legal and moral issues that resonate today as debates continue over government secrecy and democracy s requisite demand for truthfully informed citizens in the process it also shows how a closer study of this signal event can illuminate questions of government responsibility in any era when daniel ellsberg leaked a secret government study about the vietnam war to the press in 1971 he set off a chain of events that culminated in one of the most important first amendment decisions in american legal history that affair is now part of history but the story behind the case has much to tell us about government secrecy and the public s right to know commissioned by secretary of defense robert mcnamara the pentagon papers were assembled by a team of analysts who investigated every aspect of the war ellsberg a member of the team was horrified by the government s public lies about the war discrepancies with reality that were revealed by the report s secret findings his leak of the report to the new york times and washington post triggered the nixon administration s heavy handed attempt to halt publication of their stories which in turn le
