ethical debates about loyalty transparency and national security

a Keep the confession confidential and defend your client zealously
b Report the confession to the authorities
c Withdraw from the case
d Encourage your client to confess in court

Scenario 3 The Pressure Cooker Your boss asks you to falsify data in a report to secure a lucrative contract. You know this is unethical and potentially illegal. What should you do?

b Refuse and report your boss's actions to a higher authority
c Try to negotiate a compromise offering alternative solutions
d Quietly look for a new job

Option B is the most straightforwardly ethical if there's a strict no-gifts policy. Option C offers a way to navigate a grey area while being transparent. This exemplifies the importance of understanding organizational codes of conduct and maintaining transparency in professional relationships.
