discusses hand to hand fighting techniques drawn from karate and other asian martial arts useful for self defense or tournament competition

the oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies in addition black belt produces and markets over 75 martial arts oriented books and videos including many about the works of bruce lee the best known marital arts figure in the world

besides the body s natural weapons we also emphasize how to use five basic weapons that

can relate to numerous other common items for self defense purposes they include the following the short stick the straight stick straight baton the side handle pr 24 baton the knife and the gun are the primary weapons in the pro systems combatives program

a goju ryu guidebook the kogen kan manual for karate gives the reader a tool to navigate the history exercises equipment techniques kata forms and kumite sparring of okinawan goju ryu karatedo the purpose of this guidebook is to serve as a training aid in furthering the development of karate students and instructors from the kogen kan specifically and all karate students generally however if it helps only one person then i will consider it a success please keep in mind that much of this information is in notation form and may only make sense with proper instruction this guidebook is only a tool to help in the retention of instruction and is not a substitute for it also please keep in mind that although others have assisted with this guidebook all errors are my own this guidebook is formatted in such a way as to be the beginnings of a filing and retrieval system as each student collects more information they can organize it by adding it to the notes area of the respective sections it is hoped that all students will research collect and share material about karate it is this type of systematic approach that brings science to the art it is also written so that a lesson plan can be developed quickly by choosing one or more activities from several sections if more details are needed while teaching they can quickly referenced in the rest of the manual each chapter is given a table of contents to further hasten referencing it has a spiral coil binding so it will lay flat for easy viewing during training large font also helps in referencing the information from a distance much of this guidebook is written in japanese this is done for two reasons first it is important to learn japanese as it will help standardize everyone s martial arts training and secondly this will help keep this information in the purview of the serious it is a barrier which will hopefully weed out some who may not use the martial arts for purposes which they were intended namely the protection of self and others thank you for reading this guidebook michael p cogan mse

discusses the origins basic techniques moves training and exercises of the japanese form of self defense
