once we have claimed our freedom in christ how do we remain in it to ensure that we become the people god is calling us to be how do we know what god is calling us to be anyway are the goals we have for our lives in line with his goals how on earth do we stop other people getting in the way of our growth to fruitfulness and how do we avoid getting in their way the you god planned answers these questions and shows how we can play our part in the church the bride of christ as she prepares herself for his return

don t let the past hold you back every christian has a past it can hold us back big time those of us carrying a lot of stuff know that only too well but even those who have had a relatively trouble free existence thus far will benefit from understanding how to identify and resolve past sin and negative influences that stop us moving on the great news is that jesus came specifically to resolve past issues he does not offer to change our past but he does allow us to walk completely free of it no matter what it is as we play our part

prayer is the singular bridge between you and god the state of your prayer life is the state of your god relationship it is as vital to your well being to develop a flourishing prayer life as it is to develop satisfying communication with loved ones if you seek to know god personally this book will assist you in your seeking as well as in your finding if you want to transform your prayers from a monologue with you merely addressing god to a dialogue with god also addressing you this book is for you it will guide you from what prayer is to how to pray from breath prayers all the way to contemplative prayer

christ tackles the whole of the new testament canon and inquires what the earliest christian documents had to say about jesus who is the lord though schillebeeckx is not a professional new testament scholar he appears to have mastered the available material as completely as anyone can hope to and kept his head in the process there are dozens of individual judgments that could and surely will be quibbled about but short of going over the whole ground again a

decade s work it is difficult to fault his exegesis or his main interpretative scheme peter hebblethwaite in the times literary supplement not for nothing is edward schillebeeckx a member of the order of preachers the chief virtue of his great christological work is its unrelenting and courageous determination to embrace all the essential elements in the task of commending the christian gospel in the first volume jesus he showed how the claims of faith concerning jesus may be grounded in the evidence of the gospels handled critically in the present volume a third more strictly doctrinal exercise will conclude the massive trilogy the procedure is different though the spirit is identical the subject is the christian experience of grace and salvation as a result of jesus put simply that we are in all ways better as a result of him the task which schillebeeckx sets himself is to show how this experience described initially in the writings of the new testament may now be felt and articulated in the quite different and varied circumstances of today the book s achievement lies in its ability to hold in a single vision the insistent claims of historical method in relation to christian origins and development the central structure of faith and many sided awareness of the world as received by modern man few theologians of our time are capable of such range such grasp and balance such courage in deploying these resources j i houlden in theology

contrary to the fairy tales receiving christ does not mean that we won t have conflicts in our lives however we can overcome them because of our position in christ as children of god this next generation of the steps to freedom in christ helps christians reclaim the promise of freedom that christ offers all who come in his name it includes a spiritual inventory to help identify and break free from condemning thoughts compulsive behaviors personal conflicts spiritual struggle and despair and any type of personal or spiritual bondage the steps to freedom in christ is a comprehensive process to help christians resolve personal and spiritual conflicts in christ this smaller version of the new and revised steps to freedom in christ makes it easier and more convenient to take the steps with you everywhere you go

one of the most widely adopted textbooks in the field happiness and the christian moral life introduces students to the study of christian ethics in this updated edition including a new section on sexual ethics paul wadell proposes that the heart of christian ethics is not rules and obligations but our deep desire for happiness and fulfillment

includes music
