gracie tells the story of her struggle and eventual triumph as a way of encouraging us of changing our society of giving us all courage equal is a very important book sandi toksvig equal pay has been the law for half a century but women often get paid less than men even when they re doing equal work mostly they don t know because pay is secret but what if a woman finds out what should she do in equal award winning journalist carrie gracie covers her own experience of holding her employer the bbc to account and investigates why we re still being paid unequally equal will open your eyes fix your resolve and give you the tools to act and act now equal tells a personal story that changed the public debate guardian pulls no punches sunday times full of sound advice for women observer a gripping personal story told with warmth and wit julia gillard former australian prime minister longlisted for the financial times business book of the year award 2019

shortlisted for the 2018 parliamentary book awards best memoir by a parliamentarian why is gender inequality so stubbornly persistent power even today power remains concentrated in the hands of men right across the worlds of business politics and culture decisions taken by those with power tend to perpetuate gender inequality rather than accelerate solutions and those who see the problem often feel powerless ingrained sexism and gender inequality can seem too huge to solve equal power holds a mirror up to society showing the stark extent of gender inequality while making the case that everyone has the power to create change whether you are a teenage student a global ceo or a taxi driver there is much we can do as friends consumers parents

and colleagues to create a world of equal power in this inspiring and essential book deputy leader of the liberal democrats and former government minister for women jo swinson outlines the steps we can all take small and large to make our society truly gender equal

partnership is a key element in equal but working together with partners coming from very varied backgrounds is not always something easy this guide written with the active participation of several dps is aimed at supporting all the equal dps to build up an efficient and fruitful partnership

starting in the 1990s san francisco launched a series of bold but relatively unknown public policy experiments to improve wages and benefits for thousands of local workers since then scholars have documented the effects of those policies on compensation productivity job creation and health coverage opponents predicted a range of negative impacts but the evidence tells a decidedly different tale this book brings together that evidence for the first time reviews it as a whole and considers its lessons for local state and federal policymakers

recoge 1 gender mainstreaming employment policy a checklist 2 gender mainstreaming and gender equality in 30 european countries 3 active labour market policies 4 pay and career policies 5 reconciliation policies 6 flexicurity policies 7 concluding remarks

the author introduces the concept of economic woman and makes her visible in duality with and opposition to the exclusive model of economic man economic man has epitomized neo liberal capitalism which embraces competition and maximization of profit resulting in a steep increase in economic inequality the book demonstrates that women s inequality is a crucial factor in

economic inequality which cannot be fully understood without relating to women's situation and that economic woman cannot thrive in the conditions of economic inequality created under global neo liberalism emphasising the international human rights guarantees of women's right to equality in all fields of life the author documents woman's increased participation in political public financial and corporate institutions employment and entrepreneurship with some women reaching high profile positions nevertheless using global data she reveals that economic woman lags behind with a severe economic power deficit an unfulfilled promise of equal employment opportunity a gendered impact of poverty and barriers to gender equality in the family the book analyses the trap of women's increased burden of breadwinning in the context of discriminatory laws and practices infrastructural failures and policy gaps which preempt achievement of gender equality in economic life the book is intended for the general reader academics students policy makers and ngos it shows economic woman at a global crossroads between a universal paradigm of gender equality and pervasive barriers to equal economic opportunity the author demonstrates that tackling gender inequality restoring welfare priorities and reducing economic inequality are inextricably linked human rights and governments have a vital role to play in addressing them all to create a sustainable economic infrastructure for the lives of women and men
